

# **THE NARROW WAY**

## **“People Need the Lord”**

Everyday they pass me by, I can see it in their eyes.  
Empty people filled with care, headed who knows where.  
On they go through private pain living fear to fear  
Laughter hides their silent cry only Jesus hears,

### CHORUS:

People need the Lord, People need the Lord at the end of broken dreams He's  
the open door. People need the Lord, People need the Lord, when will we realize  
people need the Lord.

We are called to take his light to a world where wrong seems right  
What could be to great a cost for sharing life with one who's lost.  
Through his love our hearts can feel all the grief the bare  
We must share the words of life only we can share.

### CHORUS:

People need the Lord, People need the Lord at the end of broken dreams He's  
the open door. People need the Lord, People need the Lord, when will we realize  
that we must give our lives for people need the Lord.

## **“As We Sail to Heaven’s Shore”**

Storms may rise on seas unknown,  
while we journey toward our home.  
Surely we’ll learn what grace is for,  
as we sail to Heaven’s shore.

Send us strength, O pilgrim guide,  
sin would drown us in its tide.  
Be close at hand and go before,  
as we sail to Heaven’s shore

Holy Spirit, lead us on, Give us courage, bring the song.

Lord we trust Your Father’s care,  
will convey us safely there,  
Open or seal off every door,  
as we sail to Heaven’s shore.

Straighten our course with every prayer,  
Let Heaven’s breezes speed us there,  
And grant us mercy ever more.  
As we sail to Heaven’s shore.

Draw us near, O finest friend,  
from dawn’s light to evenings end.  
Each passing day, we love you more,  
as we sail to Heaven’s shore,

As we sail to Heaven’s shore.

## **“He Who Began a Work in You”**

Chorus:

He who began a good work in you,  
He who began a good work you  
Will be faithful to complete it,  
He'll be faithful to complete it in you.  
He who started the work  
will be faithful to compete it in you.

If the struggle you're facing  
is slowly replacing your hope with despair,  
Or the process is long  
and your losing your song in the night  
You can be sure  
that the Lord has His hand on you  
Safe and secure He will never abandon you  
You are His treasure and He finds His pleasure in you.  
He who started the work  
will be faithful to complete it you.

Chorus:

He who began a good work in you,  
He who began a good work you  
Will be faithful to complete it,  
He'll be faithful to complete it in you.  
He who started the work  
will be faithful to compete it in you.

## **“Chasing of the Wind”**

Every heart is filled with longing  
to be free from all life's pain  
Yet the search through earthly pleasures  
always ends in vain  
Only God who made the heavens  
can satisfy our souls

Chorus:

Apart from Him, and all His meaning  
all things fail as they begin  
And hearts deceived can only know a chasing of the wind

All achievements all possessions  
all with time return to dust  
Only God can be our reason  
for deep and quiet trust  
He will guard us from the dangers  
that gladly make men fools

Chorus:

Apart from Him, and all His meaning  
all things fail as they begin  
And hearts deceived can only know a chasing of the wind

Why do we live without Jesus?  
Why do we waste another day?  
He is the life that sustains us  
the only hope for us today  
So why do we live,  
why do we live without Him?

## **“Oh, I Want to Know You More”**

Just the time I feel  
that I been caught in the mire of self,  
Just the time I feel  
my mind's been bought by worldly wealth,  
That's when the breeze begins to blow,  
I know the Spirit's call  
And all my worldly wonderings  
just melt into His love.

Chorus:

Oh, I want to know you more,  
deep within my soul I want to know you.  
Oh, I want to know you,  
to feel your heart and know your mind,  
Looking in your eyes stirs up within me  
cries that say I want to know you  
Oh, I want to know you more

When my daily deeds  
ordinarily lose life and song  
My heart begins to bleed  
sensitivity to Him is gone  
I've run the race but,  
set my own pace and face a shattered soul  
Now, the gentle arms of  
Jesus warm my hunger to be whole.

Chorus:

Oh, I want to know you more,  
deep within my soul I want to know you.  
Oh, I want to know you,  
to feel your heart and know your mind,  
Looking in your eyes stirs up within me  
cries that say I want to know you  
Oh, I want to know you more.

## **“Find Us Faithful”**

We're pilgrims on the journey of the narrow road  
And those who've gone before line the way  
Cheering on the faithful, encouraging the weary  
Their lives a stirring testament to God's sustaining grace.

Surrounded by so great a cloud of witnesses  
Let us run the race not only for the prize  
But as those who've gone before us,  
let us leave to those behind us  
The heritage of faithfulness passed on through Godly lives

Chorus:

O may all who come behind us find us faithful  
May the fire of our devotion light their way  
May the foot prints that we leave lead them to believe  
And the lives we live inspire them to obey  
O may all who come behind us find us faithful

After all our hopes and dreams have come and gone  
And our children sift through all we've left behind  
May the clues that they discover,  
and the memories they uncover  
Become the light that leads them to  
the road we each must find

Chorus:

O may all who come behind us find us faithful  
May the fire of our devotion light their way  
May the foot prints that we leave lead them to believe  
And the lives we live inspire them to obey  
O may all who come behind us find us faithful.

## **“Run The Race”**

Can you see that we are surrounded  
By so great a cloud of witnesses  
Those who paid the price, the complete sacrifice  
Those of whom this world were not worthy

Chorus:

Let us run, run, run the race with endurance  
Laying aside every weight, casting aside every sin  
Let us run, run fixing our eyes on the Son,  
Looking to Him, finishing what we've begun, Let us run

And now you see that we are entrusted,  
With continuing what others started,  
They have passed the baton,  
straight and fast til we've won,  
We will run to Him who is Holy

Chorus:

So, Let us run, run, run the race with endurance  
Laying aside every weight, casting aside every sin  
Let us run, run fixing our eyes on the Son,  
Looking to Him, finishing what we've begun, Let us run

Oh, and yes there are some who have stumbled, fallen  
God only knows, I am one  
Still I press toward the goal, for the Lord who is calling me  
He's gone before, He's my reward, when I am done

Chorus:

Let us run, run, run the race with endurance  
Laying aside every weight, casting aside every sin  
Let us run, run fixing our eyes on the Son,  
Looking to Him, finishing what we've begun, Let us run!

## **“Then They Will Know”**

I will speak, I will wait,  
I will send prophets among them, that they might hear,  
That they might see and understand how much I love them.

Then they will know that I am father.  
Then they will know I am Lord.  
They'll walk with Me and be my people.  
I'll walk with them as their God. As their God

I will strike, I will scourge  
And carry out vengeance upon them.  
But I will heal the wounds I make  
and tenderly take them back to me.

Then they will know that I am Savior  
I am Redeemer and Friend.  
Immanuel, the God that is with them,  
The God who gives all He can

He is Salvation, He is the Kingdom  
To Know Him is paradise

He will come, my own Son,  
a Word Faithful hearts can't help hearing  
And by His death, with His last breath,  
A father's forgiveness comes flowing.

Then they will know that I am father.  
Then they will know I am Lord.  
They'll walk with Me and be my people.  
I'll walk with them as their God. As their God

## **“Traveling the Narrow Way”**

We were prepared for the journey  
with our wagons loaded down.  
We had all the things we needed  
and some more of what we had found,  
But as the road then narrowed  
so the wagons could not climb,  
We journeyed on with horses  
leaving things of ours behind.

Chorus:

Traveling the narrow way up the steep and windy road.  
A smooth white wall on one side and a precipice below.  
As we journey on the way grows smaller still.  
Stripped of all earthly support we cling unto His will.

To save ourselves from falling  
we pressed close to the wall.  
Our luggage was interfering  
we cut it loose and let it fall.  
At such times we were fearful  
and our bodies began to sway,  
A hand seemed to take the bridle  
and guide us over the way.

Chorus:

Traveling the narrow way up the steep and windy road.  
A smooth white wall on one side and a precipice below.  
As we journey on the way grows smaller still.  
Stripped of all earthly support we cling unto His will.

With our horses now left behind us  
we traveled on in single file.  
Our feet exposed to grip the rocks  
we were fearful all the while.  
Small cords came down from above us  
to keep our balance on the path  
“We have hold from above” we were shouting,  
it seemed like this is all we had.

Chorus:

Traveling the narrow way up the steep and windy road.  
A smooth white wall on one side and a precipice below.  
As we journey on the way grows smaller still.  
Stripped of all earthly support we cling unto His will.

From those not used to hardship  
we heard complaints time and again.  
While they chose to stay behind  
we eagerly pressed on to the end.  
The wall once white and beautiful  
now had a bloody stain.  
If others were able to pursue this course  
then we can do the same!

Chorus:

Traveling the narrow way up the steep and windy road.  
A smooth white wall on one side and a precipice below.  
As we journey on the way grows smaller still.  
Stripped of all earthly support we cling unto His will.

Where our narrow path now ended  
lay a chasm deep and wide.  
Scene of beauty beyond compare  
await us on the other side!  
Again in whispered anguish  
we breathed who holds the cord?  
Assured it none but God Himself  
we swung on to our reward!

Chorus:

Traveling the narrow way up the steep and windy road.  
A smooth white wall on one side and a precipice below.  
As we journey on the way grows smaller still.  
Stripped of all earthly support we cling unto His will.

Stripped of all earthly support we cling unto His will.
