

“A Vision of Heaven”

“In This Very Room”

In this very room there's quite enough love for one like me,
And in this very room there's quite enough joy for one like me,
And there's quite enough hope and quite enough power to chase away any gloom,
For Jesus, Lord Jesus ... is in this very room.

And in this very room there's quite enough love for all of us,
And in this very room there's quite enough joy for all of us,
And there's quite enough hope and quite enough power to chase away any gloom,
For Jesus, Lord Jesus ... is in this very room.

In this very room there's quite enough love for all the world,
And in this very room there's quite enough joy for all the world,
And there's quite enough hope and quite enough power to chase away any gloom,
For Jesus, Lord Jesus ... is in this very room.

“The Refiner’s Fire”

There burns a fire of sacred heat white hot with Holy Flame
And all who dare pass through its blaze will not emerge the same.

Some as bronze, and some as silver, some as gold
Then with great skill all are hammered by their sufferings on the anvil of His will.

Refrain:

The Refiner’s fire has now become my soul desire,
purged and cleansed and purified that the Lord be glorified.
He is consuming my soul refining me making me whole
No matter what I may lose, I choose the Refiner’s fire.

I’m learning now to trust His touch to crave the fire’s embrace
For though my past with sin was etched, His mercies did erase.
Each time His purging cleanses deeper I’m not sure that I’ll survive,
Yet the strength in growing weaker keeps my hungry soul alive.

“Joy in the Journey”

There is a joy in the journey. There's a light we can love on the way.
There is a wonder and wildness to life. And freedom for those who obey.

And all those who seek it shall find it. A pardon for all who believe.
Hope for the hopeless and sight for the blind.

To all who've been born in the Spirit. And who share incarnation with Him.
Who belong to eternity stranded in time. And weary of struggling with sin.

Forget not the hope that's before you. And never stop counting the cost.
Remember the hopelessness when you were lost.

Refrain:

There is a joy in the journey. There's a light we can love on the way.
There is a wonder and wildness to life. And freedom for those who obey.

“Embrace the Cross”

Refrain:

I am crucified with Christ therefore I no longer live, Jesus Christ now lives in me.

Embrace the cross where Jesus suffered, though it will cost all you claim as yours. Your sacrifice will seem small beside the treasure. Eternity can't measure what Jesus holds in store.

Embrace the love the cross requires, cling to the one who's heart knew every pain. Receive from Jesus fountains of compassion. Only He can fashion our hearts to move as His.

Oh, wondrous cross our desires rest in you. Oh, Lord Jesus make us bolder. To face with courage the shame and disgrace You bore upon your shoulder.

Embrace the life that comes from dying. Come trace the steps the Savior walked for you. An empty tomb concludes Golgotha's sorrow. Endure then till tomorrow your cross of suffering.

Embrace the cross, embrace the cross, the cross of Jesus.

“Immanuel”

A sign shall be given, A virgin will conceive, A human baby bearing
undiminished deity. The glory of the nations a light for all to see.

Hope for all who will embrace His warm reality.

Immanuel, our God is with us. And if God is with us who could stand against us? Our
God is with us, Immanuel.

For all those who live in the shadow of death, a glorious light has dawned.

For all those who stumble in the darkness, Behold your light has come

So what will be your answer? Will you hear the call?

Of Him who did not spare His son, But gave him for us all.

On earth there is no power, there is no depth or height, that could ever separate us from
the love of God in Christ.

“My Redeemer is Faithful and True”

As I look back on this road I traveled, I see so many times He carried me through. If
there's one thing that I've learned in my life,
Is my Redeemer is faithful and true

Refrain:

My Redeemer is faithful and true. Everything He has said He will do.
And every morning His mercies are new. My Redeemer is faithful and true.

My heart rejoices as I read the promise there is a place that I'm preparing for you. I
know some day I'll see my Lord, cause my Redeemer is faithful and true.

Bridge: And in every situation He's proved His love to me.
When I lack the understanding more grace He gives to me.

“El Shaddai”

El shaddai, El shaddai, El-EI Yona adonia,
Age to age you're still the same, By the power of the name.
El shaddai, El shaddai, Erkamka na adonai,
We will praise and lift you high, El shaddai.

Through your love and through the ram, You saved the son of abraham;
Through the power of your hand, Turned the sea into dry land.

To the outcast on her knees, You were the God who really sees,
And by your might, You set your children free.

Through the years you've made it clear, That the time of christ was near,
Though the people couldn't see what messiah ought to be.
Though your word contained the plan, They just could not understand
Your most awesome work was done through the frailty of your son.

“The New Jerusalem”

1. I saw the Holy city descending from the sky,
So brilliant with the light of God, the city is His bride.
There is no temple in this town no sun, no moon, no lamp.
For God’s own glory is its light illuminated by the Lamb.

Refrain:

And God Himself will wipe the tear from every weeping eye.
No death, no pain, no mourning cry and every tear may dry.
And now our God will dwell with them the New Jerusalem
And He Himself will walk with them, the New Jerusalem.

2. And so let all of those who thirst, come now and drink for free.
And to the one who overcomes come now and you will see.
Behold the old is passed away, now everything is new
The alpha and omega’s words are trustworthy and so true.

Refrain:

And God Himself will wipe the tear from every weeping eye.
No death, no pain, no mourning cry and every tear may dry.
And now our God will dwell with them the New Jerusalem
And He Himself will walk with them, the New Jerusalem.

“I Will Bring You Home”

Though you are homeless, Though you're alone, I will be your home
Whatever's the matter, Whatever's been done, I will be your home

I will be your home, I will be your home, In this fearful fallen place
I will be your home

When time reaches fullness, When I move my hand, I will bring you home

Home to your own place, In a beautiful land, I will bring you home

I will bring you home, I will bring you home, From this fearful fallen place
I will bring you home, I will bring you home
